## Our Mission

An independent non-profit organization supporting excellence in education. The Evesham Education Foundation is a completely independent non-profit 501(c)(3), non-political organization that was formed to enhance and enrich the academic experience for all of the students in Evesham Township Schools.

That means 100% of the funds raised are available to enhance our children's education. Formed in 1995 by a group of concerned parents and local business leaders, Evesham Education Foundation has made positive contributions toward our children's education. To date the Evesham Education Foundation has provided more than \$3 million to Evesham Township Public Schools. To continue forward and increase our efforts, we need your support.

# In Memory of LARRY KULL

Larry Kull was one of the Founding Board Members of the Evesham Education Foundation (EEF) since its inception in 1995. Until Larry's passing in

2021, he gave his time, talent, and and treasure for nearly three decades in order to fulfill the Foundation's mission: "To improve and enhance the educational opportunities for all of the students in the Evesham Township school district". The EEF was just one of a number of charitable organizations that Larry worked tirelessly with.

Larry was always very involved supporting the Evesham Education Foundation Annual Golf Classic, especially given his love of the game of golf. The current EEF board felt that it was in fact fitting that we rename the golf classic in memory of this very special person! It is with great honor that we rename this event the Larry Kull Memorial Golf Classic! We trust that your involvement in this very special event will keep the legacy of Larry's contributions to the organization alive and well for many years to come!
