In Memory of Larry Kull

Larry Kull was a founding board member of the Evesham Education Foundation (EEF), serving from its inception in 1995 until his passing in 2021. Over nearly three decades, he generously dedicated his time, talent, and resources to furthering the Foundation's mission to enhance educational opportunities for students in the Evesham Township School District.

Larry was deeply involved in many charitable organizations, but few causes meant more to him than the EEF's Annual Golf Classic—an event that brought together two of his passions: supporting education and his love of golf.

In recognition of his lasting impact, the current EEF Board has renamed the tournament the Evesham Education Foundation Larry Kull Memorial Golf Classic. We hope your participation will help carry on Larry's legacy.

Welcome Friends,

It is with a deep sense of pride and gratitude that we welcome all of you to our **Annual Evesham Education Foundation Larry Kull Memorial Golf Classic**. The Evesham Education Foundation was formed to enhance and enrich the academic experience for all Evesham School students. Through your generosity, we have been able to support vital programs that directly impact the children of the Evesham Township School District.

However, due to the implementation of the State Funding Formula S2, Evesham Township Schools have faced significant financial challenges, resulting in lost funding that has directly impacted students, teachers, and programs across our district. As a foundation, we have stepped in to help mitigate these losses and ensure that critical educational programs remain accessible.

Among the programs we continue to support, four stand out as particularly impactful: CAPPS, the Counseling Program, the Metamorphosis Program, and additional extracurricular support.

- **CAPPS (Coordinated Arts Program for Primary Students)** is a 4-week summer program for selected pre-k students, providing opportunities to develop social readiness and academic skills through art, music, literacy, and mathematics.
- **The Counseling Program** brings student assistance counselors to Evesham middle schools during lunch periods, offering students the chance to speak to counselors privately or in a group setting.
- **The Metamorphosis Program** is a summer enrichment program for selected students who have just completed 6th grade, helping them enhance their social growth, communication skills, positive self-image, and peer relationships.
- **Extracurricular Support** – Thanks to the generosity of our community and sponsors, we have been able to provide new wrestling uniforms for both DeMasi Middle School and Marlton Middle School, provide support for PTA projects at Jaggard and Marlton Elementary schools to enhance the student experience. This is a testament to how your contributions directly impact our students, encouraging their athletic endeavors and school spirit.

The financial challenges presented by the S2 Funding Formula have made our mission more important than ever. Through your continued generosity, the Evesham Education Foundation will be successful in achieving its goal of supporting the children of the Evesham Township School District.

We Sincerely Thank You!

Bill Smitheman

Programs We Fund

The Evesham Education Foundation supports a variety of educational programs designed to enhance the skills and development of students. These initiatives provide valuable opportunities for learning and interaction, helping students build essential skills for success both in school and at home.

Supplemental Counseling Program at Middle School

The program provides mental health support for middle school students through one-on-one and group counseling, connecting them and their families to additional resources as needed.

The Metamorphosis Program

This 4-week summer program for selected incoming middle school students focuses on enhancing social development and communication skills through interactive weekly themes in art, music, drama, and other creative activities.

Tier-3 Enrichment

Programs for gifted students, available during the school year and summer, provide extended learning beyond grade level expectations, incorporating 21st Century Life and Career Standards through STEM and Humanities courses.

Programs We Fund

Literacy & Math Support for Primary Grade Students

This 4-week summer program provides targeted literacy and math instruction for students entering grades 1-4, using the district's balanced models and focusing on small group work to improve reading, writing, word study, and math fluency.

Coordinated Arts Program for Primary Students (CAPPS)

This 4-week summer program for selected pre-kindergarten students focuses on enhancing readiness in social and academic areas through art, music, and creative dramatics.

ActivPanels

The foundation donates 1-2 ActivPanels annually to classroom teachers to enhance interaction, encourage student participation, and promote the use of modern technology in teaching.

In addition, EEF annually showcases around 1,000 student artworks in a district art show, framing selected pieces for exhibition before returning them to students, while also providing uniforms for middle school interscholastic teams and awarding graduation scholarships to one eighth grader from each middle school to support their transition to high school.

Become a Sponsor Member of Evesham Education Foundation

Since our formation in 1995 by concerned parents and local business leaders, we have made significant strides in improving our children's educational experience. However, to continue our progress and expand our efforts, we need your support.

By becoming a sponsor member of the EEF, you can play a vital role in our mission. We offer various sponsorship levels, each with unique benefits tailored to different preferences and levels of involvement. Your support ensures that we can maintain the highest standards of education for all students in the ETSD.

With Gratitude to the Kull Family

The Evesham Education Foundation extends our heartfelt thanks to the Kull family. Larry's vision, leadership, and generosity were instrumental in shaping the Foundation from its earliest days. His passion for education, community, and our Annual Golf Classic continues to inspire us. We are honored to carry on this tradition in his name, and we thank the Kull family for their ongoing support and for sharing Larry's remarkable spirit with us all.

70 E. Main St. Moorestown, NJ 08057 | (856)222-0110 | www.quakerwm.com

Introducing Quaker Wealth Management, a fiduciary financial planning and wealth management firm founded in 2006 and located on Main Street in Moorestown. Meet Pete News, CFP® our 50% owner and leader of the Quaker team pictured with his family. With a focus on Certified Financial planning, we're here to meet the needs of families and small businesses. Pete's vision for Quaker was to create a family environment where our clients feel right at home. Over the years, we've grown to a team of 8 and serve over 400 families.

Touching on family matters, Pete and his wife Danielle have called The Preserve home since 2020, alongside their children Alexandra (11) and Nicky (8). The News family are active members of Little Mill Country Club, where they enjoy clubhouse activities and Nicky participates in the PGA Jr. league. Alexandra and Nicky benefit from the excellent education provided by the Evesham School District, and Danielle plays an active role in the PTA. Join our Quaker family and let us assist you in planning for a prosperous financial future.
