IN MEMORY OF LARRY KULL

Larry Kull was a Founding Board Member of the Evesham Education Foundation (EEF) since 1995. Until his passing in 2021, he dedicated nearly three decades of time, talent, and resources to support the Foundation's mission to enhance educational opportunities for students in the Evesham Township school district. Larry was deeply involved in numerous charitable organizations, particularly the EEF's Annual Golf Classic, a cause close to his heart due to his love of golf. In honor of his lasting contributions, the current EEF board has renamed the event the Evesham Education Foundation Larry Kull Memorial Golf Classic. We hope your participation will help keep Larry's legacy alive. Thank you for your support!
