EEF 5K Run October 2024

# 30 Years of Community Commitment & Impact

Since 1995, we have made significant strides in improving our children's education experience

## From the President

On behalf of the Evesham Education Foundation and the students of Evesham Township Public Schools, I want to thank you for your generous support throughout the 2024–2025 school year—and for helping us celebrate a meaningful milestone: 30 years of community, commitment, and impact.

Since our founding in 1995, the Foundation has invested over \$1 million in programs that have reached more than 4,000 students across the district. These numbers represent more than just dollars and data—they reflect thousands of moments where students were inspired, supported, and set on a path to thrive.

This past year alone, your contributions helped fund over \$75,000 in initiatives, including mental health counseling, readiness programs like CAPPs and Metamorphosis, classroom technology, and continued enrichment through Tier III. These programs bring learning to life and directly align with our mission to enhance and enrich every student's academic experience.

We were especially honored to witness the renaming of the CAPPs program to the KULL CAPPs Program, in tribute to our founding board member Larry Kull. It's a reminder of the legacy this Foundation carries—and the lasting impact one individual can make.

As we look ahead, we remain committed to expanding access, empowering educators, and opening new doors for Evesham students. Together, we can continue to make a difference—for the next 30 years and beyond.

Thank you for being part of this journey.

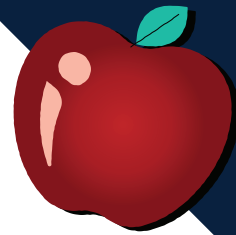

---

**William Smitheman**

President

# Thirtieth 1995–2025 Anniversary

On March 15, 2025, the Evesham Education Foundation proudly celebrated its 30th anniversary at Nene's Taverna. This milestone event brought together founding board members, community leaders, and long-time supporters for an evening of reflection and recognition. Guests were treated to heartfelt stories from the Foundation's early years, honoring not only the visionaries who built its foundation but also the silent donors—those whose quiet generosity helped make it all possible.

What began as a simple idea has grown into a powerful force for educational excellence. Today, the Foundation continues to fulfill its mission: to enhance and enrich the academic experience of every student in Evesham Township Schools.

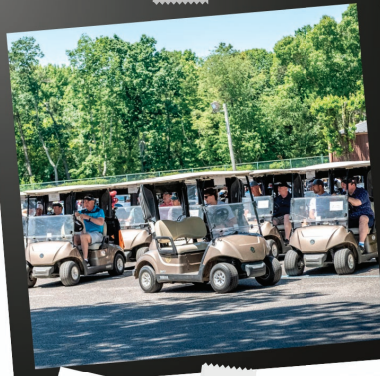

**"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."**

– Margaret Mead

# Thousands of lives Touched

Over the past 30 years, the Evesham Education Foundation has **proudly invested more than \$1 million** in programs that support student growth, wellness, and enrichment. From academic readiness to mental health resources, **our efforts have impacted over 4,000 students and counting.**

Each initiative we support reflects our mission: to enhance and enrich the educational experience for every student in Evesham Township Schools.

## Supplemental Counseling

The program provides mental health support for middle school students through one-on-one and group counseling, connecting them and their families to additional resources as needed, ensuring immediate access to services on school grounds.

## The Metamorphosis Program

This 4-week summer program for selected incoming middle school students focuses on enhancing social development and communication skills through interactive weekly themes in art, music, drama, and other creative activities.

## Tier III Enrichment

The Foundation supports the Tier III Gifted & Talented program through funding for the summer enrichment camp and special teacher grants. These initiatives provide extended learning opportunities beyond grade-level expectations, incorporating 21st Century Life and Career Standards through STEM and Humanities-focused experiences.

## Coordinated Arts Program for Primary Students (CAPPS)

This 4-week summer program for selected pre-kindergarten students focuses on enhancing readiness in social and academic areas through art, music, and creative dramatics, targeting literacy, mathematics, science, motor coordination, oral language, and social interaction.

## Eyes on Art

Every year, ETSD holds a district art show featuring about 1000 student artworks. The EEF donates framing for selected pieces to be displayed throughout the school year.

## ActivPanels

The foundation donates 1-2 ActivPanels annually to classroom teachers to enhance interaction, encourage student participation, and promote the use of modern technology in teaching.

*In addition, EEF provides uniforms for middle school interscholastic teams and awards graduation scholarships to one eighth grader from each middle school and from Saint Joan of Arc, helping support their transition to high school.*

# Gifted & Talented Tier III

The Evesham Education Foundation has proudly supported the Tier III Summer Program since 2018, giving high-achieving students access to engaging, enriching experiences beyond the classroom.

In 2024, when the proposed school budget threatened to eliminate a Tier III teaching position, the Foundation pledged to cover half the salary if needed. While district funds ultimately filled the gap, the news sparked a strong community response. Through our Mega 50/50 raffle and generous direct donations, we raised targeted support to sustain and expand the Tier III program.

These funds will not only support the summer program but also launch a new round of classroom grants for gifted instruction.

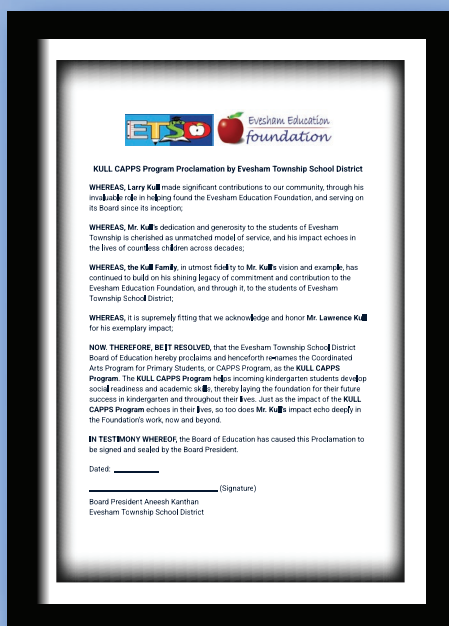

On June 5, we attended the Tier III Expo at Marlton Middle School—an inspiring showcase of student work, bursting with creativity and depth. This program is a shining example of what's possible when a community invests in excellence.

## Kull CAPPS Program

In recognition of Larry Kull's unwavering dedication to education and his role as a founding member of the Evesham Education Foundation, the district officially renamed the CAPPS program in his honor on June 16th. Now known as the **KULL CAPPS Program**, it continues to prepare incoming kindergarten students with the academic and social skills they need to thrive—just as Mr. Kull's legacy continues to shape opportunities for generations of Evesham students.

## Special Thank You To Our Title Sponsors

*We are deeply grateful to our highest-level supporters whose exceptional generosity helps drive our mission forward. Your partnership directly impacts the lives of Evesham students, and we thank you for your continued support.*

# Sponsor Thank You

Each year, the Evesham Education Foundation hosts fundraising events that directly benefit student learning and academic development. These events are only possible thanks to the incredible generosity of our sponsors and donors.

We are deeply grateful to our event sponsors and the many businesses and individuals who contributed to our gift auctions. Your support helps fund vital programs and resources that allow Evesham students to learn, grow, and thrive.

**Every donation—big or small—makes a lasting difference.**

## Become a Year-Round Sponsor

Last year, we proudly launched our year-round sponsorship and membership program—a new way for individuals and businesses to support EEF beyond a single event. Whether you're a returning sponsor or looking to get involved for the first time, this is a meaningful opportunity to expand your impact.

Each sponsorship level includes exclusive benefits and helps ensure that every student in the Evesham Township School District has access to the highest-quality educational experiences.

Visit our website to become an annual sponsor today.

## Become a Volunteer

We are constantly seeking passionate individuals to join us in our mission. Your time, skills, and contributions make a tremendous impact. Visit our website to get involved in our upcoming events for 2025–2026.

# Save the Dates

## What's on for 2025–2026

Mark your calendar and join us for another year of fun, fundraising, and community impact!
